Invited guests, members of the School Management Committee, esteemed parents, teachers and dear students, —

A very good evening & Namste.

It is a matter of immense pride and pleasure for me to present the Annual Report of the school for the academic year 2025-26, highlighting our achievements, progress, and milestones.

Guided by our vision to be a world class school that imparts global education to build visionary pupils who excel in all walks of life

We have been stimulating and nurturing young minds to strive for excellence through learning and developing a responsible and sensible young brigade with a broad outlook towards life.

In 13 years school has received many National and International awards.Nagesh Karajagi Orchid School is a proud mission driven organization providing world class education.In short span of time the school has become a premier institution know for quality education.Talking tree classroom, Robotics lab, ICT lab and smart classrooms makes our school most Technically advanced School.

The school has focused on academic excellence, character building, and all-round development of students.

The school followed a well-structured curriculum supported by innovative teaching methodologies. Continuous assessment, remedial teaching, and enrichment programs were implemented to meet diverse learning needs. The academic year has been productive and rewarding. Our students have consistently demonstrated excellence in academics. In CBSE Board Examinations, the school recorded outstanding results I feel proud to announce that from our sixth batch of class X.

Ishwari Taware secured 98 %

Trisha Bhandari 97.2 %

Vaishnavi Holepatil 96.6 %

Neel Shriram 96 %

Mahir Patel & Varad Malani 95.4 % and secured top 5 ranks in school.

51 students secured more than 80% and 34 students secured more than 60%.

This success reflects the dedication of our teachers, the hardwork of our students, and the constant support of parents.

* Aarushi Usturage from class X got Best student award this year.

Congratulations.

True education extends beyond textbooks. School organized various activities and events like

During this Academic year school emphasized discipline, values, and student well-being: Counseling and guidance sessions were conducted regularly, Health check-ups and awareness programs were organized Moral education and life-skills training were integrated into daily activities Professional development of teachers remained a priority, Teachers attended workshops, seminars, and training programs.

During the academic year, the school enhanced its infrastructure:

Upgraded classrooms and learning resources Improved laboratory and library facilities

Strengthened ICT and smart classroom usage

The school maintained strong ties with parents and the community:

Parent-teacher meetings were held regularly

Our future plans include further integration of technology in education, Enhanced skill-based learning programs, Continuous infrastructure and academic development.

The school expresses sincere gratitude to the management, staff, parents, and students for their unwavering support and cooperation. With collective effort and dedication, we look forward to another successful year of learning and growth.

Thank you
